CERTIFICATION OF ELECTRICAL EQUIPMENT

It is our pleasure to issue you with the enclosed Certificate of Approval/Conformity EESS-210731-0.

Please immediately check and ensure the details are correct in accordance with your application.

IMPORTANT: This certificate requires the approval markings on the product label to be **CCS- 210731 -EA** and the Regulatory Compliance Mark (**RCM logo**) **which** must be used in accordance with its conditions of use set out in the latest edition of AS/NZS 4417.1.

EESS Conformity Certification will upload the required certificate information to the National Database as detailed in the Australian/New Zealand Electrical Equipment Safety System (EESS), Equipment Safety Rules Appendix C. The Responsible Supplier is required to register their equipment of the National Database as part of the EESS.

Please arrange collection of product samples provided for your application within 14 days of the date of this letter, otherwise the samples will be disposed of without further notice.

This certification is based on type testing, modification to the electrical equipment in any way must be notified to EESS Conformity Certification for certification. Details of the modification may be advised by completing and submitting the form EESS-F01 "*Application for Certification*" or online via our application portal.

Any change to the name or address of the holder of the certificate must be notified to EESS Conformity Certification within one calendar month. Changes may be advised by completing and submitting the form EESS-F01 "*Application for Certification*".

An application for the transfer of the Certificate from the existing Certificate Holder to another Holder may be made to EESS Conformity Certification by completing and submitting the form EESS-F02 "*Application for Transfer of Certificate Holder*".

Should you have any further queries, please contact the undersigned.

Yours sincerely,

Certification Manager
